

# *Iris douglasiana* 'Hwy 9 Felton'

Douglas Iris

Iridaceae

**Exposure** Sun or part shade

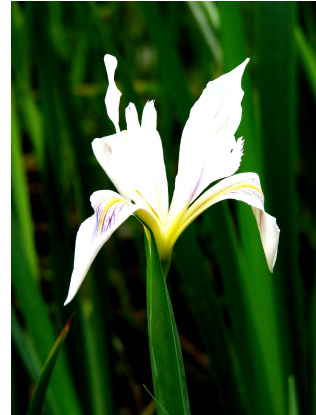

**Water** Occasional water

**Form** Perennial

**Height** 18 inches

**Flower color** White

**Bloom time** Spring

Douglas Iris is one of the best native iris for the garden. The flowers are large and colorful and the leaves are wide and bright green. The clumps increase in size rapidly making a good ground cover. This selection has narrow white flowers with violet markings and upright leaves

**Habitat** Coastal forests and bluffs
